

Ultra-Pop-Up Pool, Economy Model Folding Instructions

- STEP 1:** Decontaminate the Pool and allow to dry. Lay Pool flat on the ground with the open end facing up.
- STEP 2:** Fold the Pool in half. See Figure 1A. The Pool should be half of its original size.
- STEP 3:** Fold the Pool in half again. See Figure 1 B.
- STEP 4:** Fold the Pool in half again. See Figure 1 C.
- STEP 5:** Starting at the longest end, begin to roll the Pool up in as tight a roll as possible. See Figure 1 D for rolled up Pool view.
- STEP 6:** Place the Pool into the optional Ultra-Cab Mount Container, optional Carrying Bag or back into it's original box for storage until required.
